

PRIVATE LESSONS

SWIMMING IS AN IMPORTANT LIFE SKILL, and private swimming lessons at the Y is a wonderful way to empower yourself!

Private swim lessons are available for anyone who has a need or desire to attend classes outside of the group format. Our instructors can tailor your lessons to fit special circumstances, learning abilities, busy schedules, and achieve swimming goals.

Private and semi-private lessons are a great option for swimmers looking to catch up or get ahead. These lessons give you individualized attention to help improve or master swimming skills. You set the agenda by working with the instructor to determine goals, then the swim curriculum is customized to meet these individual goals. Together, the instructor, participant, and/or parent determine the goals for the session and the curriculum is customized in order to meet these goals.
